The State of New Hampshire

To the inhabitants of the town of Milton, in the County of Strafford in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town House in said town on Tuesday, the eleventh day of March next, at ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year, and make appropriation for the same.
3. To bring in your votes for the election of Delegates-at-Large, Alternate Delegates-at-Large, District Delegates, Alternate District Delegates to the National Conventions of the Democratic and Republican parties, to be held for the purpose of nominating party candidates for President and Vice-President of the United States.
4. To see what sum of money the town will vote to raise and appropriate for repairing highways and bridges the ensuing year.
5. To see what sum of money the town will vote to raise and appropriate for the maintenance of the Trunk Line and State Aid Highways in said town, and pass any other vote or votes relative thereto.

6. To see what method the town will vote to adopt for breaking roads the coming winter, raise and appropriate a sum of money, not exceeding four thousand dollars to pay for the same, and pass any other vote or votes relative thereto.

7. To see what sum of money the town will vote to raise and appropriate for the maintenance of street lights the ensuing year.

8. To see if the town will vote to raise and appropriate a sum not exceeding one hundred and fifty dollars for Memorial Day expenses.

9. To see what sum of money the town will vote to raise and appropriate to pay its notes and interest, and pass any other vote or votes relative thereto.

10. To see if the town will vote to raise and appropriate the sum of twenty-five dollars to pay expenses of the Treasurer of Trust Funds.

11. To see if the town will vote to raise and appropriate a sum of money, not to exceed four hundred dollars to be expended under direction of the State Forester, for preventing the spread of disease commonly known as "White Pine Blister Rust," and pass any other vote or votes relative thereto.

12. To see if the town will vote to raise and appropriate a sum of money not to exceed two hundred dollars for exterminating the Browntail and Gypsy Moths, and pass any other vote or votes relative thereto.

13. To see if the town will raise and appropriate a sum not to exceed one hundred dollars (\$100) for the purpose of improving and maintaining the park on Main Street in front of the R. R. Station.

14. To see if the town will vote to raise a sum of money not to exceed two thousand dollars to be deposited in a savings bank there to remain, together with the interest thereon, as a fund for rebuilding the Trunk Line Highway when it shall become necessary and pass any other vote or votes relative thereto.

15. To transact any other business that may legally come before said meeting.

Given under our hands and seal, the twenty-third day of February, in the year of our Lord nineteen hundred and twenty-four.

CHAS. S. PHILBRICK,
JOS. H. AVERY,
FRED M. CHAMBERLIN,
Selectmen of Milton.

A true copy of Warrant—Attest:

CHAS. S. PHILBRICK,
JOS. H. AVERY,
FRED M. CHAMBERLIN,
Selectmen of Milton.

Milton Mills Gram.	Cora McD. Hayes	15	10.9	10.3	94	14
South Milton	Lillian P. Livermore	9	7.9	7.2	91	6
Nute Ridge	Clara T. Miller	17	14.3	13	91	1
Totals and Averages		229	195.2	180.7	92.5	408

You will note an increase of five in the total number of pupils enrolled; but the average membership is seven less than for the preceding year owing to the removal of pupils from town during the school year. The per cent. of attendance is the same as for that year. The number of instances of tardiness shows an increase due, probably, to the severity of the winter. I feel that the number of tardinesses is altogether too large. More co-operation on the part of parents is needed to correct this fault. I especially call this fact to the attention of parents having pupils in the first four grades at Milton Village. It is not enough that a child be in school regularly. He should be there punctually as well.

The following pupils were not absent or tardy during the full year: Marion Muse, Delia Custeau, Clyde Welch, Doris Brock, Mildred Thurlow.

Our loss in teachers at the end of the year was unusually heavy. Of the ten employed, five were not candidates for re-appointment. I am pleased to say that all these vacancies were filled with teachers who were either graduates of Normal schools or with good experience. I hope that the voters will see the advisability of making every effort to retain the services of our successful teachers for a term of years.

REPORT OF MEETING AT WEST MILTON

In accordance with a vote passed by the voters at the last Annual District Meeting, a hearing was given at Nute Chapel on Friday, July 27, to "investigate the advisability of establishing one district or school center at West Milton."

The meeting was called to order by Dr. M. A. H. Hart. Fred W. Dudley was appointed clerk of the meeting.

The question under consideration was opened by Mr. Fred McGregor, who was followed by Mrs. Kelley, Mr. Hayes, Mr. Tibbetts, Mr. Amazeen, Mr. Goodwin, Mr. Nute, Mrs. Tibbetts, and Mrs. Pinkham.

One suggestion made was that a new school house should be erected at Pearl's Corner to serve as a school center for all West Milton. Another suggestion was that a new school should be established at a point nearer the geographical center of the community, for instance at some point on Thurston Road. Several of the speakers seemed to think it better, for the present at least, to make no changes in the present arrangement of the schools.

It was finally decided to take the sentiment of the meeting informally upon these three propositions. Upon show of hands four indicated a desire to erect a new building at Pearl's Corner, four favored the location on Thurston Road, and sixteen favored the maintenance of two schools as in the past, with the expectation that the two houses now in use should receive considerable repairs as contemplated by the School Board.

About thirty citizens showed their interest in this question by attending the meeting.

FRED W. DUDLEY,

Clerk of the Meeting.

July 27, 1923.

REPAIRS

During the summer the house at Nute Ridge was shingled, a new hard-wood floor was laid, and the house was painted both inside and outside. The expense was \$274.40. The Hare Road house was also

painted inside and outside at an outlay of \$88.51. For the purpose of protection it seemed advisable to paint the exterior of the Goodwinville house, which has not been in use for several years. This was done at a cost of \$53.88. The South Milton house was also renovated. The village buildings received only slight minor repairs.

I would again call your attention to the cement work needed at Milton Grammar School to preserve the building from serious damage. The interiors of some of the rooms in this building also demand some attention to repair the damage done by leakage before the roof was repaired.

HEALTH WORK

The arrangement, made last year with the Red Cross Society of Milton, whereby the schools received the services of the Red Cross nurse, has been continued this year. This work has been under the direction of Miss Eva M. Nelson, R. N., whose report will follow. To avoid repetition, I refer you to Miss Nelson's report for statistics relating to the health work done in the schools.

I am especially gratified at the showing made in the schools where milk lunches were served last winter. The gain in weight shown, especially in the case of under-weight children, should be accepted as conclusive evidence of the value of this lunch to the children. That it is so accepted by the members of the Milton Woman's Club is manifested by the fact that they have assumed the responsibility of carrying on this work again the present year. The thanks of all interested in the schools are due to this organization for this service.

I am very glad to see this work taken up this year in the schools at Milton Mills, and I am grateful to the citizens there who have made this undertaking possible. I have no doubt that the record of the effect of these lunches, as shown in the increased weight of those pupils partaking, will be equally convincing of the value of the lunch.

I certainly hope that a way will be found to continue this service in both villages next year.

Respectfully submitted,

FRED W. DUDLEY,
Superintendent of Schools.

Report of School Nurse

From February, 1923 through December of the same year the following school work has been done. Since this report is compiled in January, 1924, it does not cover that month.

Pupils inspected in grammar grades,	200
Pupils found with defective permanent teeth,	72
Pupils found with defective temporary teeth,	92
Pupils found with defective vision, not previously fitted for glasses,	20
Enlarged or diseased tonsils,	34
Enlarged glands in neck,	13
Defective hearing,	6
Excluded for symptoms of contagious disease, tonsillitis, scabies, sediculosis, chicken pox, etc.,	13
Class room talks on health and hygiene,	48
Home visits made to parents,	229
Absentees reported to nurse for investigation,	50
Absentees investigated,	48
Children vaccinated at school per order board of health,	72
Dressings changed at school by nurse on vaccinated arms, thus keeping children in school,	90
Pupils who have tonsils and adenoids removed,	16
Pupils who have been fitted to glasses,	4
Pupils who have had glasses re-adjusted,	3
Resection of nasal septum, surgical operation,	1
Pupils who have been taken to dentist by nurse,	15
Pupils in town not vaccinated before Sept., 1923,	53
Pupils 10 per cent. underweight,	18
Pupils 20 per cent overweight,	4

The pupils of Nute High School were inspected this year. They are classified as a separate group.

Pupils inspected,	43
Pupils defective,	29
Pupils found with defective vision not fitted with glasses,	6
Pupils with enlarged tonsils giving history of considerable throat trouble,	2
Defective teeth,	15
10 per cent. underweight,	7
20 per cent. overweight,	3

The number of underweight pupils as compared with last year shows an improvement in the health of our children. When the Woman's Club discontinued the school lunches on the arrival of warm weather a survey of the weight record of pupils in the school serving the lunch was submitted in a report to the club. The lowest gain was one pound made by one child who was not permitted to enjoy the lunches. Of sixty-one children from one to ten pounds underweight, thirty-six equalled or exceeded their underweight.

Records were kept in the three upper rooms of the school. Records of all the pupils in the third and fourth grades showed an average gain of five pounds per pupil. The fifth and sixth grade gained an average of six pounds, while the seventh and eighth acquired an average gain of eight pounds per pupil.

As the Woman's Club are convinced their efforts are much worth while, the lunches will be continued this year. Owing to the very warm weather they were not started until after Christmas vacation.

The school at Milton Mills is also undertaking this work using a slightly different plan which seems to fit their community needs. The Red Cross organi-

zation are backing the project in that part of the town. Whatever the means employed the end sought is the same. Namely, building better health for the boys and girls through the formation of better health habits. Milton is indeed to be congratulated upon the initiative of the ladies in your two villages who are so unselfishly interested in this work. Nowhere can societies or individuals spend money or time to better advantage than in school nutrition work. I wish to take this opportunity to thank the organizations and individuals who contributed so generously last year.

Height and weight charts were provided by the State Board of Education this year. Every child is weighed monthly when it is possible to get to the schools with the Red Cross car. All the corrections done, except two or three, were arranged for by the nurse and nursing care, as well as conveyance, furnished by the Red Cross.

There is a great need of better care for the teeth of our school children. I find in talking with many of the parents where dental work is needed for their children that they do not realize when permanent teeth are decayed. This decay starts when the children are so young that their elders neglect the dental appointment because they are so sure it is only a "baby" tooth which would be extracted any way. The result is usually about four permanent teeth extracted before the age of sixteen.

Before closing this report I wish to remind the people that the year round services of a nurse to perform the duties listed above is possible only because the American Red Cross organization maintains a resident nurse in your town. Whatever of benefit you derive from such a service is due to the far-sightedness of a few who realized there was a need and to the

very great generosity of the many who contribute freely and regularly to that organization.

I wish to thank you all for your co-operation and interest during the past year.

Respectfully submitted,

EVA M. NELSON, R. N.

FINANCIAL REPORT OF THE MILTON SCHOOL DISTRICT

For the Fiscal Year Beginning July 1, 1922, and Ending June 30, 1923

CERTIFICATE

This is to certify that the information contained in this report was taken from official records and is complete and correct to the best of my knowledge and belief. The accounts are kept in accordance with Chapter 57, Laws of 1917, as amended by Chapter 60, Laws of 1921, and upon forms prescribed by the State Tax Commission.

FRED W. DUDLEY,

Superintendent.

M. A. H. HART,

Chairman School Board.

July 12, 1923.

This is to certify that we have examined the books and other financial records of the school board and those of the treasurer of the school district of Milton, of which the within is a summary, and find them correctly cast and properly vouched.

HARRY L. AVERY,

B. B. PLUMMER,

July 12, 1923.

Auditors.
